Mini Tennis is the best way for beginners to learn to play tennis. It is played on a badminton court with short rackets and lightweight balls. Our coaching program develops the all-round physical abilities of young children, to enable them to enjoy active sports for years to come. As well as playing mini tennis, during each lesson they work on throwing, catching, moving, balancing, and co-ordination skills as part of their physical development.

More about us? See overleaf.

Who can enrol? The classes are open to anyone attending primary school.

How much does it cost? £1.50 per lesson.

How can I enrol? Complete and return the attached tear-off slip. You may have to wait for a place.

Which class should I attend? If you don't know, speak to one of the coaches.

What equipment do I need? You will need trainers and suitable activity clothing (no jeans allowed). We provide balls and rackets. If you want to buy a racket of your own, the coaches can advise.

Parents/ Guardians. Coylton Tennis Club is registered with Disclosure Scotland and all junior coaches/ helpers have been CRBS checked. The Child Protection Officer is Mr A Coulter (☎ 531855).
