Who can enrol? The classes are open to anyone up to age 16. They are very popular and if numbers get too large, tennis club members get priority. On those days non-members will not be able to play.

How much does it cost? Free to club members. £2.00 per session for non-members.

How can I enrol? Complete and return the attached tear-off slip. You may have to wait for a place.

Which class should I attend? If you don't know, speak to one of the coaches. Class times may change depending on numbers enrolling.

What equipment do I need? You will need trainers and suitable activity clothing (no jeans allowed). You can borrow a racket from the club, but bring your own if possible. The club will provide balls.

Do I need anything else? Yes. Drinking water is not available at the courts. Whether the weather is warm or not, our coaching sessions are very active and you must bring something to drink.

What if the weather is bad? Speak to the coach before 5.30pm on Fridays and 9.30am on Saturdays.

How do I join the tennis club? Ask one of the coaches for an application form or download one from www.coyltontennis.org.uk
